

Franklin Public Schools' Lifelong Learning Institute invites Franklin students and those from surrounding communities alike to join our creative and dedicated faculty and staff for a summer of fun and academically enriching courses.

Families returning to us this summer may want to note the following changes:

- Elementary Musical is now Musical Theatre Jr. and has moved from STAR to the Summer Music Program.
- Math Academy and Catch Me if You Can (Forensic Science) can now be found as a part of our new Summer STEM Institute.
