

## Weekly Themes

Week 1: July 8-12:

### *Passport to Summer*

Kick off the summer with a week of fun! Activities that await you include a frozen t-shirt challenge and glamping in the gym. Animal Adventures will be joining us for an animal presentation.

Week 2: July 15-19:

### Build It!

Calling all creative builders! This week we will build, design, experiment, and invent with tons of hands on fun! The Museum of Science will be joining us for a presentation about rockets.

Week 3: July 22-26:

### Fabulous Franklin!

Join us as we celebrate our wonderful community and participate in a variety of fun activities. We will be joined by some special Franklin visitors throughout the week. Ooch World will also be joining us for a Yo-Yo Workshop.

Week 4: July 29-August 2:

### Cranium Craze

Put your brain to the test. Prepare for things that make you say "wow"! Activities this week include a hidden picture challenge and an escape room experience. Science Made Fun will be joining us for a Brain Buzz presentation.

Week 5: August 5-9:

### Journey to the Bottom of the Sea

Dive into Solutions this week as we explore the deep blue sea! Tide pool art, mermaid slime, and bubbling treasure chests are just a few activities we have planned this week. The Toe Jam Puppet Band will be joining us for a Pirate Show!
